

OPHS MONTHLY REPORT: JULY

AUDIT UPDATE:

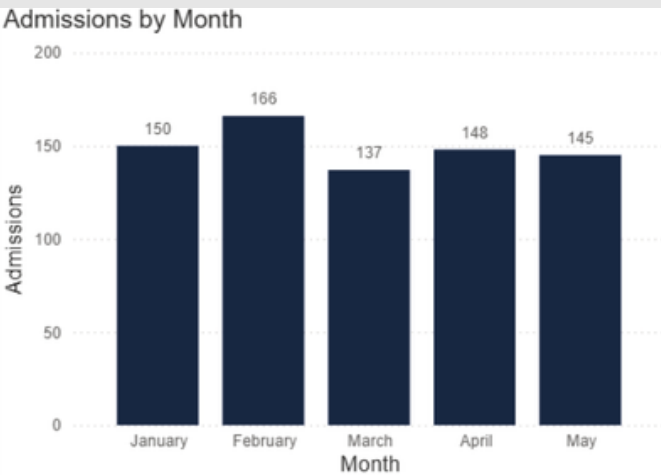

OPHS is making significant progress on many items identified in the audit report. We are finalizing our procurement and finance SOPs, have scheduled ethics training, and are building our centralized documentation/contracts hub.

BEHAVIORAL HEALTH

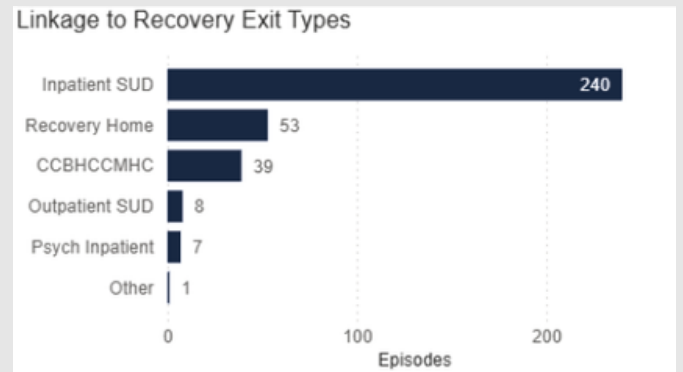

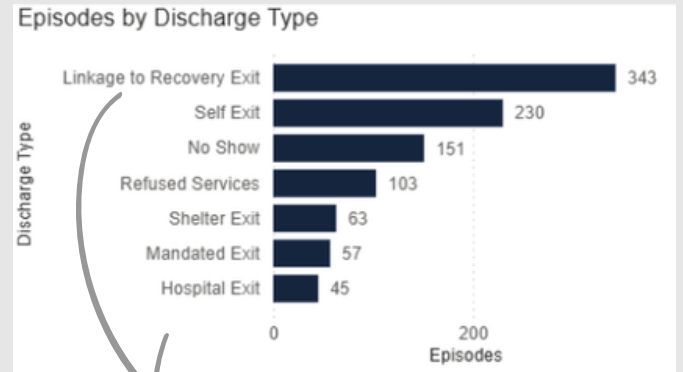

The **Clinician-Led Community Response** team utilizes licensed behavioral health professionals who provide crisis assistance and connect individuals to resources across Marion County.

The **Assessment & Intervention Center** provides free, 24/7 assistance to those navigating mental health, addiction recovery, homelessness, and other challenges.

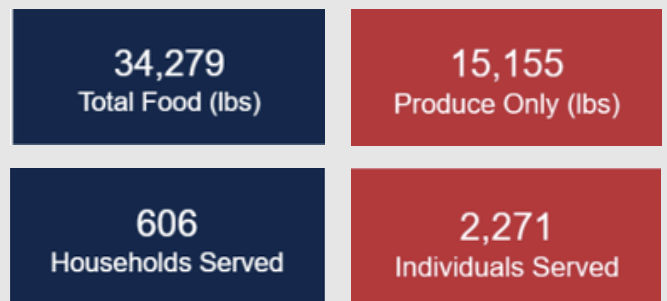

This top graph shows where people go upon leaving the AIC. If they are linked to recovery services (the top item), the bottom graph breaks that down further into exactly what type of facility they go to.

COMMUNITY NUTRITION AND FOOD POLICY

Data through June 1, 2026

Note: Changes to SNAP that go into effect on July 1, 2026 are expected to significantly impact Indianapolis residents. Our food team has thirteen outreach events planned in July.

OPHS MONTHLY REPORT: JULY

HOMELESSNESS AND EVICTION PREVENTION

Earlier this year, the Office of Public Health and Safety’s Tenant Advocacy Project (TAP) and Lawrence Township/Marion County Eviction Diversion Initiative Legal Aid Program merged to form a new Eviction Diversion program. This service has maintained continuity in the court’s while mitigating harm to tenants.

Data continues to be collected and analyzed, and more will be provided as soon as possible.

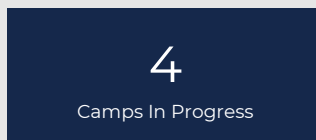

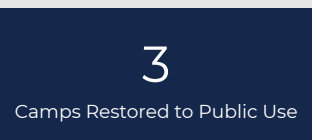

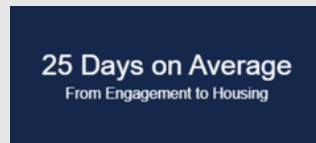

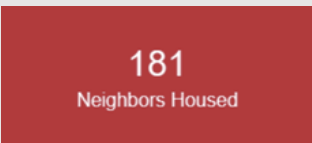

- Data through Q1:

- Camp Restorations/Cleanings (as of June 1)

- Streets to Home Indy (since 2025 launch)

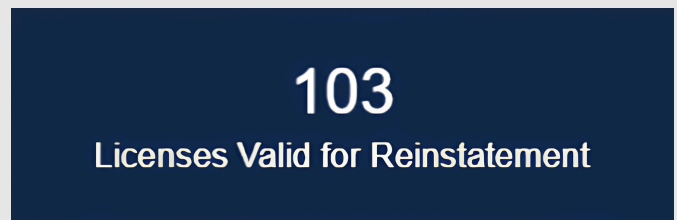

Note: Public Law 138 goes into effect July 1, 2026, and it is expected to have an impact on the state of homelessness in Indianapolis. OPHS is working to educate Marion County residents about what these changes mean and their potential impact.

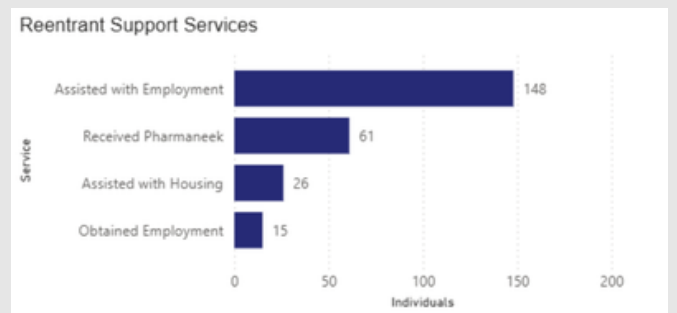

REENTRY

OPHS’s Reentry team connects reentrants to resources via our Release Lobby at the Marion County jail. Services include linkage to housing, employment, medications, record expungements, and license reinstatements.

- Reentrant Support Services (Q1 data)

- Reentrant Support Services (as of June 1)

PROGRAMMING UPDATES

After a successful Mental Health Awareness Month campaign concluded in May with a Canal Dyeing event in partnership with the Indianapolis Colts, OPHS conducted monthlong campaigns for Gun Violence Awareness Month and began educational campaigns for July 1 SNAP changes and Public Law 138 homelessness changes.

OPHS MONTHLY REPORT: JULY

COMMUNITY VIOLENCE REDUCTION

Our Indy Peace team – which includes outreach workers, life coaches, and violence interrupters – works to address and prevent violent crime.

The **Indy Peace Fellowship** is a 12-18 month program aimed at empowering participants – survivors of gun violence – to break the cycle and create positive change. (YTD Data)

The **Youth Violence Reduction Initiative**, launched in August 2025, takes lessons learned from the Mayor’s Gun Violence Reduction Strategy and applies it to our youth.

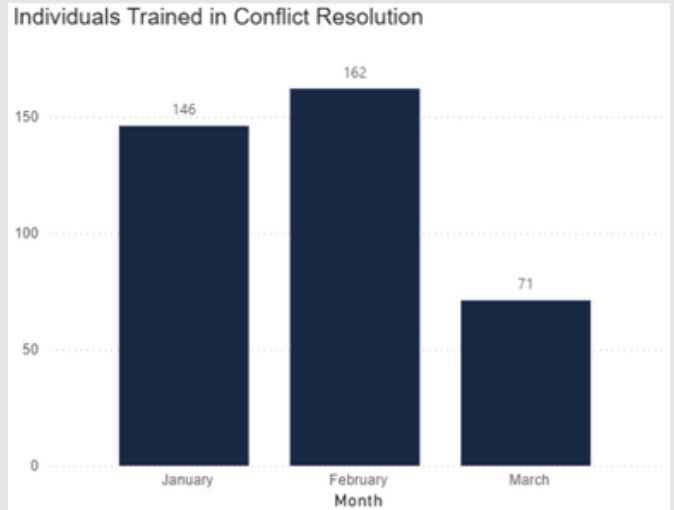

The **Indianapolis Public Safety Foundation Strategic Prevention** initiative combines efforts from the Indy Center for Conflict Resolution and Indy Champions to interact with the community.

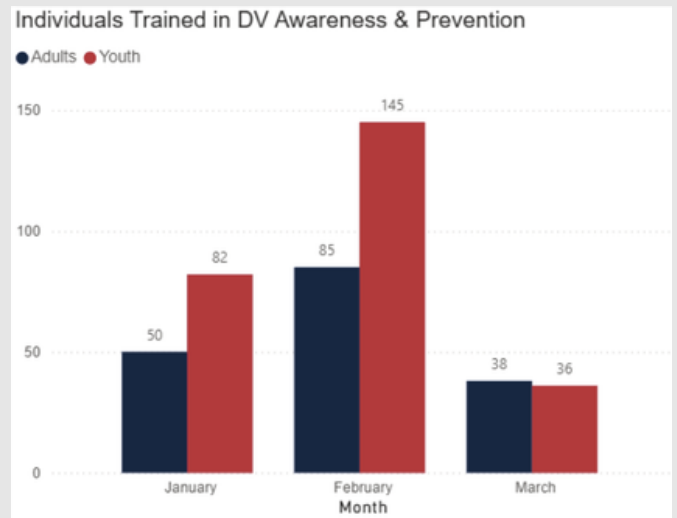

- Data through Q1:

1,067 engaged

The **Indy Center for Conflict Resolution** offers free, impartial conflict resolution services to foster cooperation and safer communities.

The **Indy Champions** team supports victims and survivors of domestic violence, and raises awareness through trainings and outreach.
